SIR

I have the honour to state that one case of Parachute silk has been imported from the Government Silk Factory, Mysore, by Messrs. Binny & Co., Bangalore, for being despatched for test to the Ordinance Inspectorate, Government of India, Cawnpore. This parcel has been detained by the Octroi Superintendent, Bangalore City, in the Octroi Office, for recovery of duty thereon. The Agent of Messrs. Binny & Co., has written to the Octroi Superintendent to exempt the parcel from payment of Octroi on the ground that they had sent this parcel to Mysore for finishing under instructions from the Ordinance Inspectorate, Government of India. Under the existing bye-laws, the exemption from payment of octroi on the silk in question is not permissible. Neither have the Company authorities produced any specific Government Order exempting such articles from payment of Octroi duty thereon. However, the Agent of the Mill has been addressed in the matter by the Octroi Superintendent to furnish the Government Order if any, under which the company claims exemption.

Under the circumstances, I solicit orders of Government in the matter, as the silk is stated to be urgently required by the Ordinancy Inspectorate, Cawnpore, in connection with Defence Department contracts.

I have the honour to be,
Sir,
Your most obedient servant,

P. Suryanarayana Setti
Municipal Commissioner
